Overview of IIBHL

The Islamic Institute Ball Hockey League (IIBHL) is a non-profit ball hockey league for youth run entirely by volunteers and has been around since 2014.

To meet the growing demands for organized ball hockey for girls at the Islamic Institute of Toronto (IIT) on Monday nights, the IIBHL is proud to facilitate and oversee an offshoot of the very successful boys' league: IIBHL – Girls. This is our historic inaugural year.

Our mission is to engage our girls aged 6-16 in a safe and fun halal environment, not only by teaching them how to improve their ball hockey skills, but also by showing them how to enhance their good character with encouragement and positive role models.
